JOURNEYS

I lived in Ireland for 2 month (May and June 2013) to improve my English skills. Between February and July 2014, I lived in London to continue to improve my English language capabilities. In that period, I got IELTS certification. From September 2014 to July 2016, I lived and studied in Moscow. Here I learnt Russian language and got graduation at MGIMO University, where, in 2015, I was the President and the founder of the Italian Association Students. Moreover, in my life I have travelled in many places in Europe, Russia, the Middle East and Latin America. Nowadays I live in Beirut.
